C. E. KIMLIN TELLS COUNCIL PLAN ON CITY FINANCES

C. of C. Directors Informed on Revenues; Protest by Foothill Association

When the city council considered ways and means of cutting the cost of government and raising the revenue for the continued conduct of this municipality for the balance of the fiscal year the members of that body undoubtedly took into consideration the protests which would be raised.

Councilman C. E. Kimlin heard one yesterday and completed his statement on city finances only to be called away from the Chamber of Commerce directors meeting in time enough to miss the complaint registered by representatives of the Glendale-Foothills Improvement association.

V. M. Hollister, president of the Chamber, first called attention to the fact that trimming of trees and sprinkling of streets had been curtailed by the council. He asked Mr. Kimlin for what length of time the order would be carried out.

"Until the administration can get on a cash basis," the councilman replied and expressed a hope that this would be at the close of the fiscal year, June 30, 1922.

Explains Situation

"The situation is simply this," said Mr. Kimlin. "The city treasury is in a very deplorable condition. As we analyzed the situation we said we have to cut some of this stuff. I think anyone will commend our attitude and we are preparing a statement for publication this week end which will clarify matters, I believe."

Mr. Kimlin made the point that the city could not spend money which it did not have. As he retired from the directors' room E. H. Rotsford, James Connors and J. C. Person of the Foothills Association entered and stated their troubles.

It seems the council is considering raising the irrigation water rates from 3 cents to 5 cents which causes great apprehension on the part of these small ranchers in the northwest section of the city who do not have wells and pumps on their property.

Committee Appointed

After a thorough discussion of the question a reinforced committee was named to wait upon the council Thursday night and see what could be done for these consumers of water whose livelihood depends on irrigation.

Mr. Rotsford acted as spokesman for the committee and told the Chamber directors that the 5 cent rate would make it impossible for himself and neighbors to use city water for irrigation. He was substantiated by Messrs. Person, Connors and Dan Campbell, a director of the board.

Mr. and Mrs. A. Green to Make Home in City

Mr. and Mrs. Allen Green, until recently of Boston, arrived in Glendale from the east last week and have located in their new home at 630 North Kenwood street. The home was formerly owned by Mr. and Mrs. Will Sawyer, who moved to West Lomita avenue several weeks ago.

The newcomers are not strangers to Glendale, having spent last winter here with friends on West Lexington drive. It was merely another case of "love at first sight," Mr. and Mrs. Green having cast their lot with Glendale before returning to Boston last summer.

E. S. Ballenger Buys Maple School Property

The Maple street school property was sold last night to E. S. Ballenger of Riverside for \$6675 by the city board of trustees.

The land was acquired for \$7500 a few years ago as a proposed school site. When Maple street was cut through the school board received \$400 and \$1100 later when other streets were cut through. Altogether, the board made a profit of \$675 on the transaction.

Mr. Ballenger's bid, which was the only one received, was accompanied by a certified check for \$334.

MRS. WHYTOCK TO RETURN

Mrs. J. Whytock of 411 North Jackson street is expected home today after a four months' visit in the east. She visited friends and relatives in Connecticut, Vermont and New York. While in New York City she was the guest of her daughter, Mrs. Glenn Maxon, who was formerly Miss Ruth Whytock of Glendale.

BUNGALOWS BEING BUILT

A new four-room bungalow is being built at 140 South Cedar street by Contractor D. C. Stevens for Mrs. Ida Harris, 126 North Everett street. The interior has now been plastered and the exterior has received its first coat of paint. Next door a similar bungalow is being erected by Thomas H. Addison, 130 North Belmont street. Its number will be 138 South Cedar street.

Yule Tree Program at Broadway School Will Be Presented

The approach of the holiday season will be observed tomorrow afternoon at the Broadway School by a special Christmas program.

A large yule tree will be placed in the lobby of the school directly in front of the entrance and will be decorated for the occasion.

The feature of the program will be a playlet based upon "The Bird's Christmas Carol" by Kate Douglas Wiggin. This will be presented by the following pupils from the sixth grade: Dorothy Doane, Jack Wilbur, Freda Dassoff, Herbert Hoit, Edward Skelley, Ethel Ware, Dorothy Dampf and Anne Wilkinson. Donald Campbell of the third grade will take part also.

Kindergartners will present an Indian dance and a toy shop game. Pupils of the first grade will sing a group of songs. The third grade has been divided into three groups and each will put forth a special number. Ralph Camargo of the third grade is scheduled for a monologue. This will be followed by two songs.

Gather around the Christmas Tree is the title of a song to be sung by pupils of the fourth grade. Pearl Caylor has promised a solo and Adeline Woodbury will present the "Dance of the Christmas Snow Flakes."

Following a song by the sixth grade, Anne Wilkinson will perform a Spanish dance. Two songs will be sung by the sixth grade and Julia Pelley will present an Indian dance.

Miss Gladys Gaarder, Doliver Webb Married

A very pretty home wedding took place at 11 o'clock this morning, December 14, 1921, at the residence of Mr. and Mrs. A. H. Gaarder, 126 West Garfield avenue, when their daughter, Miss Gladys Gaarder, became the bride of Doliver Webb, son of Mr. and Mrs. James Webb of 127 West Chestnut street, the ceremony being in charge of Rev. O. P. Rider.

The bride was attired in her going-away suit of brown and wore a bouquet of pink Cecil Brunner roses. The color scheme of pink was carried out in the decorations of sweet peas and roses which were used throughout the house. Miss Gaarder was given in marriage by her father. The wedding march from "Lohengrin" was played by Miss Lois Webb, sister of the bridegroom. After the wedding, at which the ring ceremony was used, and which was attended by the immediate relatives and intimate friends of the young couple, a wedding luncheon was served.

Mrs. Doliver Webb has been a resident of Glendale for the past twelve years and graduated from grammar school and attended high school here. Doliver Webb is a graduate of Glendale Union High School, a member of the local lodge of Elks and is associated with his father, James Webb, in the Glendale Hardware company. After their honeymoon trip Mr. and Mrs. Webb will make their home in Glendale.

Christian Circle to Have 100 Present

The Christian Circle club met last evening at 5:30 o'clock in the First Baptist church social room and the supper was splendidly served by the ladies of the Presbyterian church. There were 54 girls present and Nell Leggett presided over the short business meeting. Roll call by churches showed 16 from the Baptist present, Christian 9, First Presbyterian 8, First Methodist 6, Casa Verdugo 1, E. 6, Congregational 5, Central Methodist 5 and West Glendale M. E. 4.

Dr. C. M. Crist and the Rev. Mr. Livingston were present. A goal of 100 has been set for the attendance next Tuesday. Miss Maud Soper led the bible study after the business session.

School Board Anxious for Rain to Appear

Let's see, when is it the Hopi Indians have their rain dance?

Members of the city board of school trustees aren't planning any snake dance, but they did state definitely last night that something would have to be done to moisten the school playgrounds—if it didn't rain during the Christmas vacation.

There was some discussion about borrowing the city water wagon, but concluded after much verbosity to delay action until Mr. J. Pluvius has had one more chance.

400 AT BROADWAY SCHOOL

About eighty new pupils have registered at the Broadway school since the first week of school, according to Mrs. M. O. Ryan, principal, who yesterday stated that the enrollment had increased from 320 to nearly 400. She says that even the new school building is very crowded because it contains no more class rooms than the former structure.

BUSINESS CLUB TO DIRECT TAG DAY FOR FLOAT FUND

About \$1,000 Still Needed to Finance Display, According to Statement Issued

The Glendale Business and Professional Women's Club will take entire charge of the sale of tags on "Tag day," which will be Saturday, the proceeds of which will be used to construct a float which will be entered by Glendale in the Tournament of Roses Parade at Pasadena on New Years. That was the decision of the members of this organization, which met last night in the Chamber of Commerce rooms, Mrs. Margaret Biggs presiding.

Secretary James Rhoades of the Chamber of Commerce briefly explained to the members the approximate cost of a "prize winning" float and that in addition to contributions already received it would be necessary to raise in the neighborhood of \$1,000, part of which is to come from the sale of tags.

Captains to Be Chosen

Dr. Laura Brown is to be the chairman in charge of "tag day" and will appoint captains to be stationed along Brand boulevard at Broadway, Wilson, California, Harvard, Colorado, Park and Cypress; along Broadway at Central, Louise and Glendale avenue; at Doran and Columbus, Los Feliz and San Fernando and Central and Stocker.

Each captain is to have about ten women and girls working with her. There will also be members of the organization stationed at the theaters.

Mrs. George U. Morse stated that she would endeavor to secure the services of some of the high school girls, and suggested that these girls be not asked to serve later than 5 o'clock in the afternoon, which met with the approval of those present. The club has given \$10 toward the float fund.

Tells of Bond Election

Mrs. George U. Morse spoke of the coming bond election, which will be held December 29, and urged that all of the club members vote for the bonds for the purchase of a high school site. She stated that the enrollment of the high school during the past two years has increased 40 per cent and that at this rate in the next two years there would be an enrollment of 2,000. The present buildings can comfortably accommodate 800 and the present enrollment is 1,200.

Mrs. Morse briefly described the boundaries of the two proposed sites and cost of each, and stated that no matter what the preferential vote of the club members might be that they should not fail to vote for the bonds.

Mrs. Biggs announced that there would be no gymnasium class the evening of December 27, it being holiday week, and that on this night there would be a party in the Chamber of Commerce rooms for the members of the club.

C. of C. Committee Discusses Float Plans

Mrs. Mabel L. Tight presided over a meeting last night at the Chamber of Commerce of the committee on the Glendale float for the Tournament of Roses and the plans prepared by L. W. Chobe, designer of three other winners, were submitted and approved. Tag Day plans were turned over to the Business and Professional Women's Club; a matinee benefit performance at the Glendale Theatre was placed in charge of Dr. Jessie A. Russell who will co-operate with Manager William A. Howe in getting the greatest possible return for the float fund.

Three more contributions were reported this morning as follows: E. U. Emery, \$10; Frank D. Myers, \$5; and Ernest A. Moulton, \$2. More is needed to make Glendale's representation at Pasadena on New Year's day all that Mr. Chobe wants it to be.

H. B. Miller Home to Be Scene of Meeting

The members of both the Live Cole and the Alpha Omega classes of the First Christian church Sunday school will hold their regular monthly joint meeting on Friday night of this week at the home of Mr. and Mrs. H. B. Miller of 434 Burchett street. The gathering will be in the nature of a combined business and social meeting, with several important measures to be discussed. A record attendance is expected by the officers.

The principal feature of the business sessions of both classes will be the annual nomination and election of officers for the coming year. As these two classes are the "livest" in the church a considerable amount of interest is being displayed regarding the coming election.

ROBERT COWLIN EXPECTED

Mr. and Mrs. F. W. Cowlin of 346 Hawthorne street are expecting the arrival this week of their son, Robert, who will spend several days in this city prior to going east, where he will attend the national convention of his fraternity. Cowlin is a member of the senior class of the University of California in Berkeley.

Addresses in Full Help to P. O. Clerk

D. Ripley Jackson, who will become postmaster here January 1, is investigating conditions in the local branch of the Los Angeles office and he calls attention to the time lost by the omission of the complete address on local mail.

This necessitates new clerks consulting the city directory hundreds of times daily to see where the addressee is located, according to Captain Jackson.

Annual Variety Show Proves Varied Enough for Anyone and Goes Over Big

The 1921 version of the annual variety show will be presented publicly in the high school auditorium for the first time in a matinee starting at 3:30 o'clock this afternoon.

Critics, who observed the final dress rehearsal last night, declare that the theatrical bill from start to finish will be an unqualified success. Most of the seats for Friday night's performance have been sold and many of the seats for Thursday night's show have been sold, also.

Following an overture by the high school orchestra, the first number on the program will be a minstrel plantation scene by the boys' glee club with Harold Sprague as interlocutor and Kenneth Jackson, E. Stockbridge, W. Sullivan and F. England as end men. This act promises a treat for the ears and a feast for the eyes.

And It Never Happened "O-O-O" is the number of "A Pan-tomimic Parody," depicting an incident in the life of Queen Elizabeth and Sir Walter Raleigh—which never happened. It is presented by William Justema, who plays the part of Liza Queenabeth.

Ralph Van Hoorebeck takes the part of Sir Ralston Waleigh and B. Phillip Riskin will be seen in a nightgown and nightcap as a sleepy inn keeper. The scene is a dismal road in England and those, who have never seen a lavender house with yellow trimmings and a red roof or a yellow Ford, should not miss this pantomime.

Rummy and Dub, Harold Sprague and Loren Patrick, are billed as "Two bad boys from good families."

"The Sweetmeat Game" is a one-act playlet by Ruth Comfort Mitchell, the scene of which is laid in Chinatown, San Francisco, an evening of the Chinese New Year. The honor of playing the leading part will be split between Miss Betty Fell, who takes the part of Woo-Liu-Mai, "Sweet Smelling Flower," Thursday night and Miss Virginia Huntley, who will play the same part at the succeeding performance. Robert Fry will be seen as Yiong-Yueng, "Life Forever," a merchant, and Miss Mary Florence Pate as San-Chi, "Beautiful Bird," his blind, half-witted son. The part of "A White Devil" is played by Victor Colburn.

Musical Extravaganza A musical extravaganza will be presented by the girls' and boys' glee clubs with Miss Dorothy Peart, Miss Mildred Stanford, Kenneth Jackson and Edward Stockbridge playing leading parts.

Miss Grace Yarbrough is scheduled for a comic monologue entitled "At the Movies." Miss Hazel Linkogel will play a Spanish dance upon her violin accompanied by Miss Marjorie Yarik. Miss Genevieve Mulligan and Miss Julia Robinson will play "Moment Musical" and "At the Brook"—in a violin duet—with a harp obligato by Miss Marjorie Jean Bailey. "In Birdland" is the title of a selection to be given by the high school orchestra.

H. C. Ells Satisfied With Classified Ads

That many people read the classified ads in The Glendale Evening News is proved by an experiment carried out by H. C. Ells of the realty firm of Grey & Ells, 128 North Brand boulevard, who Monday inserted a small ad saying he had Glendale literature for distribution. Keeping count of the calls from the time the paper came off the press until he left the office that afternoon, Mr. Ells reports that ten persons called for literature.

"This all goes to show that people read the classified ads in The Glendale Evening News," says Mr. Ells. "The ad was a small one, too, just a few lines, but ten persons called before I closed the office that afternoon."

GUESTS AT PIANO RECITAL

Miss Margaret Birchfield and Miss Flora Bates, both residents of North Kenwood street, recently motored to Hollywood, where they attended the piano recital given by Miss Winifred Pennell. Miss Birchfield is a friend of several years' standing of Miss Pennell.

COMMENT THAT'S ALL

Hot Wave Sweeps East
Know Your Neighbors
Ten Days Till Xmas
An Appreciated Gift

By Gil A. Cowan

FOLKS from the middle west will smile today when they read of winter "hot wave" sweeping their old home states. Iowa and Kansas are under the sunny impression that they rival California—that is, until the next snow falls back there.

Everyone knows that one swallow doesn't make a summer and one warm day doesn't close the winter season. In months where high records are broken a new low record is usually set.

However, the fact remains that Wichita, Kans., was 76 degrees warm while mile-high Denver was basking in sunshine and 72.

More new business firms are opening in Glendale daily. Glancing over the list of new Chamber of Commerce members it would seem that more people went into business here this year than the number who were already established.

It would pay the business men here, if they could have a get-acquainted day, or a couple of them. Every other hour during the day every other store would close—or something like that—so the merchant could step into the stores of their fellow citizens and find out what they have to offer.

Under present conditions a purchaser goes into a drygoods store, asks about shoes, learns from the proprietor or clerks that they "guess the Glendale shoe stores are all right, but the Beesting Department store in Los Angeles has all of Bullet's discarded models at a 2-cent reduction."

The fact of the matter is that you can buy good shoes more economically right here in Glendale. And while these people are at the Beesting store they will buy dry goods which could be purchased here just as well. The Glendale Evening News daily sets forth the merits of the local stores exclusively to its large and intelligent family of readers who are interested in the success of this city.

Christmas shopping is in full swing.

"We have no reason to complain," said a merchant yesterday afternoon as his store was kept filled with buyers.

"I haven't had time to write an advertisement," said another. "But he did drag himself away from the crowd and between questions of clerks accomplished the task."

Night shifts in the stock room have become a reality for Glendale and clerks of the day are being relieved by others who replenish the shelves with an equally interesting array of goods.

Remember, folks, only ten more days until Christmas. And Christmas comes on Sunday when there won't be much opportunity to buy that last minute gift.

For people who have relatives in the east interested in Glendale, may we not suggest a year's subscription to The Glendale Evening News as something altogether proper and that will be highly appreciated.

This most representative paper at \$5 for a year will carry a daily message of the community's prosperity and inform your father, mother, son, sister or brother about the "fastest growing city in America" and its people.

Everyone appreciates the "old home town" paper which is sent to them—think a second how appreciative you would be to see Glendale reflected in the mirror of this medium if you were a resident of Waukesha or Keokuk.

APPOINT TWO COMMITTEES

Following were committees named yesterday by the board of directors of the Glendale Chamber of Commerce. Finance, C. E. Neale, E. P. Hayward and T. W. Watson; committees, Fred Deal, Julius Kraus and Calvin Whiting. On the latter committee, it is stated, are members of the Chamber who know practically everyone in Glendale.

Postoffice Site Is Discussed By Dr. H. R. Harrower

Editor The Evening News—Some interesting news can be discussed in regard to the location of the independent postoffice here in Glendale which is now in the hands of Inspector Hare of Los Angeles.

Among seven or eight propositions there was one by Anthony Ambrosini and C. E. Stanley and others who agreed to donate to the government a lot 50x147 1/2 on the southeast corner of Glendale and Wilson avenues, and further would include the erection of a suitable and acceptable building and the deeding of the whole business to the postoffice department. Already the equivalent of \$14,000 or \$15,000 has been subscribed by progressive east siders and since the "cat is out of the bag" some of our friends on Brand boulevard are quite concerned about this and no harm can come from discussing this matter now in a public way and making some suitable comments.

Before my time, quite a good many years ago now, a very dirty piece of business was put over by somebody. I do not know nor do not care to know, in the surreptitious removal of the street car tracks running from Brand boulevard to Glendale avenue. This was a part of the concerted effort to de-center Glendale—and it succeeded. If it had been a proper procedure the street car tracks would not have been torn up during the night, between Saturday and Sunday, and when no legal redress could be had, but would have been done in broad daylight during ordinary working hours. Perhaps I am wrong, but some people may be forgiven for drawing conclusions from facts.

Now the postoffice in Glendale used to be on the southwest corner of Glendale and Wilson avenues—right opposite the proposed site, but was moved by somewhat similar tactics to those just mentioned, and since considerable more than half of the present business of the postoffice comes from still farther east than this particular location I was easily led into agreeing to co-operate with the above named gentlemen, and I do not think you blame me.

Now, my record here will show that I am perfectly willing that the majority should rule and also that I am glad to work for what is for the good of most. If our friends on Brand boulevard insist that the Ambrosini-Stanley plan is unfair, will they explain the history which I have related above, and also will they match up their perfectly good money and do as much in their part of the town as we are willing to do here?

A little opposition is sometimes a good stimulus and in this particular instance whether the postoffice will be located on the east side and donated to the government or not, Uncle Sam will profit by some perfectly good shakels which the west siders will have to cough up to be as decent to him as we are trying to be. How about it, Mr. Editor?

HENRY R. HARROWER, M. D.

GOVERNMENT OWNERSHIP

Jeffery, chief engineer of the hydro-electrical power commission of Ontario, Canada, at the Trinity auditorium, Los Angeles, 8 o'clock. AUTO CAMP PLANS TOLD C. OF C. DIRECTORATE

Will M. Robertson Seeking
Water for Big Tourist
Resort West of City

Will M. Robertson, formerly an
Oklahoma oil operator, appeared be-
fore the Chamber of Commerce
directors yesterday afternoon and ex-
plained his plans for one of the most
model auto tourist camp grounds in
America which will be located just
west of this city on the other side of
the Southern Pacific railway tracks
on the old Gai winery property.
His mission in addressing the
Chamber was to obtain their aid in
getting the city of Glendale to fur-
nish water connections for this camp
which was promptly given. He was
referred to the auto park committee
of which Richardson D. White is
chairman and C. E. Kimlin, city
councilman, advised Mr. Robertson
to confer with P. Diederich who is in
charge of the public service plant
and production department.

To Provide Bungalows
As outlined in The Glendale Even-
ing News several days ago, it is the
intention of the company which Mr.
Robertson is organizing to provide
bungalows, parking space, etc., for
almost any number of campers.
There will be a concession area, cook-
ing equipment, sanitary facilities and
children's playgrounds as well as a
dance floor, picnic grounds and other
attractions for the general public.

Great stress was laid on the sani-
tation to be provided and the pro-
moter states that the old two story
winery building will be turned into
lavatories, bathrooms, etc., the
second floor to be used by women
and in charge of a hairdresser and
the first floor for men with a barber
in charge.

Good Physical Features
Sandy soil, shade trees, close
proximity to main highways leading
to Glendale, Hollywood and Los An-
geles and possible bridging of the
Los Angeles river to Griffith Park
are physical features of the property
which appeal to the promoters as
making a most suitable camp ground
here.

The bungalows will be of one, two,
three and four-room construction and
renting daily at the rate of a dollar
per room. The bungalow villas will
be built as needed, according to Mr.
Robertson. He expects to have his
park opened early in January.

Parish and Burton Newest Realty Firm

Frank A. Parish, who has had six-
teen years' experience in California
real estate, but more recently a resi-
dent of Tucson, Ariz., where he was
secretary of a civic organization, has
come to Glendale and associated him-
self with W. T. Burton, a graduate
of the University of Colorado, and
they will conduct a general real
estate and insurance business from
Suite 6, Rudy block. Mr. Burton
was manager of the insurance de-
partment for the Guarantee Mort-
gage company of Tucson.
Mr. Parish is glad to be back in
California again, having resided in
Oakland and Long Beach before. He
believes that Glendale is in a class
comparable to those cities when he
was there which gives him an insight
to the needs of the investor.

Australia has a railroad extending
for 300 miles in a perfectly straight
line.

MEET DEATH IN LANDSLIDE

ABERDEEN, Wash., Dec. 14.—G.
Willis, engineer, and his wife and
baby were killed fifteen miles south-
east of Aberdeen when a landslide
hurled a Clemons logging company
train down a long embankment, ac-
cording to a report received here.

Two brakemen, W. A. Hussey and
Ira Elliott, were seriously, though
not fatally injured. A rescue crew,
which was hurried to the scene of

—“and it's just what we needed”

More and more, at Christmas time, real friends are giving useful gifts.

Warmth! For chilly evenings in the living room. After a long, cold drive. Bathing the youngsters.

Just a few of the many times that a Lawson Odorless Room Heater is a real necessity.

Odorless—absolutely! It gives off a radiant heat like the sun. No open flame to de-vitalize the atmosphere. Its strong rays penetrate without overheating.

The Lawson is compact. Of pleasing appearance. An economical size for every room in the house. Costs little to operate.

Review your Christmas list. You're sure to find at least one name on it to whom the Lawson Odorless Room Heater will be “just what we needed.”

Step in and let your hardware, department or furniture store demonstrate this hundred per cent quality heater.

RATIFY OPTION ON CLUB'S LOTS FOR \$30,000 NET

Property on Brand Is Under Agreement for Sale for Next Ninety Days

(Continued from Page 1)
be added to the club treasury by the drama section.

Clubhouse and Lots
Mrs. Hutchinson stated that the club had enough money to pay off the mortgage on one of the lots recently purchased at Central and Lexington, and that it was the desire to have all of the lots clear before building is started. She also stated that Alfred Priest, architect, would meet with the building committee this week and that the plans are almost completed.

The secretary, Mrs. O. O. Clark, read a communication which was in the form of an exclusive option to Endicott & Larson and C. R. Bessel, granting them for and in consideration of \$500 the privilege to purchase or sell the three lots at Lexington and Brand. Purchase price to be paid by Endicott & Larson and Bessel in the sum of \$30,000 net, option to extend over a period of ninety days and in the event of the purchase price not being paid within this time the sum of \$500 shall be retained by the Tuesday Afternoon club as liquidated damages. On motion, the action of the executive board in accepting this option was ratified.

Mrs. Clark also read a communication from Charles B. Guthrie containing check for \$400 as donation to clubhouse fund and as his commission on sale of lot at Lexington and Central to the club. A rising vote of thanks was given Mr. Guthrie for this generous donation.

Communication was also read from Furbeck Studio stating that 10 per cent of all purchases made by

'GOODIES' SALE A SUCCESS

Home made candies, popcorn and cookies were sold to the pupils of the Broadway school yesterday by Mrs. R. B. Griffin, room mother of the second grade, Mrs. A. J. Van Wie, room mother of the third grade, and Mrs. A. E. Baron, room mother of the fourth grade, under the auspices of the Broadway Parent-Teacher association. The “goodies” were supplied by mothers. The sale was considered quite a success and \$17.50 was secured for school activities sponsored by the P-T. A.

club members up to December 24 will be given to the club.

Program Well Received
The three artists who had been secured by the program committee were then introduced by Mrs. Hutchinson. They were Constance Balfour, noted soprano singer, who has appeared before the music lovers of Glendale in programs and is always well received; Earl Mansfield Bright, who appeared recently on a program given by the Glendale Music club; Miss Alma Geiger, talented pianist and accompanist for the afternoon. Miss Geiger is a member of the Tuesday Afternoon club and a resident of Glendale.

The program included the following numbers: “Cello” (Sonata Op. 36) (Grieg), by Earl Mansfield Bright and Alma Geiger; songs, “Care Selve” (Handel), “The Nightingale and the Rose” (Rimsky-Korsakoff), “Welcome Sweet Wind” (Cadman), by Constance Balfour; “Cello Air” (Wolf-Ferrari), “Oriental” (Crie), “Spanish Dance” (Popper), by Earl Mansfield Bright; piano, “Ballade I. Op. 23” (Chopin), Sextette from “Lucia,” arranged for left hand alone, (Leschetizky), by Miss Alma Geiger; “Cello,” (Melodei) (Massenet), “Hungarian Rhapsodie” (Popper); songs, “O, Lovely Night” (Ronald), “Ave Maria,” with cello obligato, (Bach-Gounod), by Constance Balfour; Earl Mansfield Bright and Miss Alma Geiger.

The last two numbers were especially pleasing and brought out the best efforts of each of these three artists. The program was much appreciated by club members, other numbers which received special applause being “Orientale” (Crie), by Mr. Bright; “Welcome Sweet Wind” (Cadman), Constance Balfour; and Sextette from “Lucia,” Miss Geiger. The Knabe piano used was by courtesy of Barnes-Shuck Music company.

HIGH SCHOOL SITE BOND ISSUE GETS C. OF C. SUPPORT

Board of Directors Favor Project, but Location Is Not Recommended

Indorsement of the \$85,000 high school site bond election was given by the board of directors of the Chamber of Commerce at their meeting yesterday afternoon and the committee on site was instructed to work for the success of the issue. However, the board did not recommend a site, leaving that to personal opinion.

Peter L. Ferry, chairman of the committee, will be assisted by W. E. Hewitt, Albert Cornwell, Attorney James F. McBryde, C. W. Young, J. E. Peters, H. V. Henry, Mrs. John Robert White, Mrs. C. E. Hutchinson and Mrs. Kemper Campbell.

Bond Issue Favored
According to the action of the directors, they feel that the purchase of a high school site before all available property is subdivided will be a wise move on the part of the Glendale Union High School District at this time.

There seems to be no opposition to voting the \$85,000 bonds, but there is a spirited fight as to whether the school should be located on East Broadway or West Doran street. The high school board of trustees has agreed to abide by the decision of a straw ballot to be voted at the bond election December 29.

MELFORD SCORES AS 'SHEIK' DIRECTOR AT T. D. & L.

Agnes Ayres and Rudolph Valentino Add Power to Production

Always a careful picture producer, George Melford has invested his latest Paramount picture production of "The Sheik," which is now playing at the T. D. & L. theatre, with all the colorful atmosphere which makes it a brilliant offering in every sense of the word. It was susceptible of such treatment, the scenes being laid largely in the Saharan desert and in such picturesque places as Biskra, on the African littoral, one of the quaintest and strangest cities in the world. It is the Paris of the Orient. There the dancing girls and the odorous coffee houses, the beautiful Ouled-Nail women, with their gilded casques of sequins; the thrumming of the queer drums and the reedy sounds of pipes, all mingle in the composite of energy and lethargy which is Biskra. The characters of the story are finely drawn and are splendidly portrayed by a fine cast of players. The combination of Agnes Ayres and Rudolph Valentino makes "The Sheik" additionally powerful.

Comedy Is Hilarious

Comedy of the hilarious sort plentifully besprinkled with melodrama and with a genuinely interesting plot, to say nothing of thrills every few minutes—describes "The Boat," in which Buster Keaton is seen in his latest two-reel super-comedy. The earthquake was made under the Joseph M. Schenck banner and is being shown also at the T. D. & L. Buster spends practically most of the two reels on the broad Pacific. It is a comedy that gives him ample opportunity to demonstrate his versatility and his inventive genius.

Bus Line Operator Is Boosting Business for Pacific Electric

The new Pacific Electric bus is not yet commencing to make expenses, according to R. R. Stubbs, one of its operators.

"I would like to see people patronize it more," he stated. "The people wanted it, and now that they have got it, they should patronize it. The bus has made every connection so far."

Mr. Stubbs says that the trip is made from Adams street and Broadway to Brand boulevard at Cypress avenue in eight minutes and from Doran street and Pacific avenue to Doran boulevard at Cypress street in ten minutes. However, he believes this time will have to be increased because the streets, especially on the west side, do not seem to be in condition for a speed of 20 miles an hour.

Attention was called by Mr. Stubbs to the fact that the local bus fare is only six cents, that free transfers are given and that commutation tickets are good.

Mr. Stubbs resides at 408 Arden avenue and has been in the service of the Pacific Electric for the past nine years.

'CONFLICT,' BATTLE OF EYES, NOW AT GLENDALE

Remarkable Performance by Priscilla Dean in Big Photodramatization

The recent investigations of an eminent scientist showing that the human eye actually possesses power and sends out light radiations is borne out by Edward Connelly's remarkable acting in Priscilla Dean's extraordinary Universal-Jewel feature, "Conflict," now at the Glendale Theatre.

No more remarkable performance has ever been given to the silver sheet than that of the eminent actor, Edward Connelly, in the brutal, almost horrifying role of John Remalie in Clarence Budington Kelland's dynamic story of "Conflict." Connelly, a distinguished veteran of the stage and screen, gives to the unusual character all the fire and malignant strength that Kelland imagined into John Remalie.

Conveys Terrific Struggle

Suppression of gesture is the chief method by which Connelly conveys to the audience the terrific battle which is going on inside of him.

His eyes—like fiery chunks of coal—penetrate even through the silver sheet and hold the spectator spellbound in their glare.

The steely orbs—menacing even in their movement—dominate every

It is almost uncanny—the suggestion of force which Connelly conveys by his eyes. "Conflict" is a battle of eyes—the cold, gray disks of Edward Connelly against the flashing black orbs of dynamic Priscilla Dean.
